

## Take Advantage of Short Lead Times

What truly sets AS&D apart is our remarkable lead times for residential railing and standard patio cover materials. We take pride in our ability to flip projects from your approved quote to completion in just a few days, reflecting our commitment to agility and delivering results that exceed expectations.

Our commitment to excellence also extends to the physical space we provide for showcasing our products. We encourage you to stop by our Portland, OR and Sumner, WA facilities to see our newest products and familiarize yourself with best practices for installation.

appointment**

## Committed to Safety

We are pleased to announce that our company has reached an unprecedented milestone – 2 years without a Lost Time Incident (LTI) or OSHA Recordable Incident. This is a remarkable milestone for any manufacturer and reflects our unwavering commitment to safety and wellbeing.

*Congratulations to all of our employees for taking safety seriously and contributing to this significant accomplishment!*

## Project Spotlight: Private Residence West Linn, OR

This 12'x18' **lattice wrap pergola** provides a stunning accent to the crystal blue pool, giving this beautiful backyard a one-of-a-kind setting. To make this **AS&D patio cover** more robust, J's Custom Landscaping added an artistic touch that involves custom post wrap set for the double 3"x8" beam sleeves on both sides.
